On behalf of the ISACA International Membership Board, I am pleased to extend congratulations to the Rome Chapter for achieving recognition for your web site. Your chapter has been awarded a silver-level award for 2005. You should be proud of the work your chapter put forth in the design, content and management of your chapter web site to earn this recognition.

Every year, the Membership Board reviews all of the chapter web sites that link from the ISACA International web site (www.isaca.org/chapters). Beginning with the 2006 judging (scheduled to commence in the first quarter of 2007), **new judging criteria** will be used. The updated criteria, in addition to a list of all 2005 winners, can be found on the chapter awards page (www.isaca.org/websiteawards). We encourage you to review the **updated criteria** to assist in the development of your chapter web site, hence increasing your chances of winning a gold-level award next year.

Please accept our congratulations on a job well done by you and your chapter board.

Sincerely,
Megan Moritz
Lead Chapter Relations Coordinator
